

The **Graubner Group** is a medium-sized family business and has been active in the property in the real estate sector for over 40 years. Over time, the company has specialised in the development of high-quality residential projects, maintaining its own joinery for the high-quality finishes in the building projects. For the most part, solid wood is used, especially old materials.

For our carpentry workshop in Egestorf we are looking for the following person as soon as possible

Carpenter (-master) (m/w/d)

for furniture and interior finishing work of high-quality and individual building projects.

Your profil:

- Completed training as a carpenter (-in) or comparable training.
- At least 3 years of work experience
- Independent and careful way of working,
- Reliability, physical and mental resilience
- Possession of driving licence class BB

What we offer:

- Exciting and challenging tasks in an owner-managed company
- Location: Egestorf (assembly in Hamburg and on Sylt)
- A full-time, permanent employment contract
- Performance-related pay

We look forward to hearing from you in order to arrange an appointment for a personal interview in Egestorf.
